**Re: Notification of Resumption of Full Power Operations
K222AW, Bowie, Texas (FIN: 139641)**

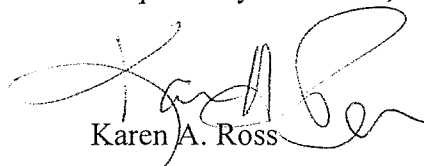

Dear Ms. Dortch:

On behalf of Educational Media Foundation ("EMF"), the licensee of FM translator station K222AW, Bowie, Texas, this letter is to notify the Commission that K222AW resumed full power operations on February 8, 2011, consistent with its licensed parameters.

On February 4, 2011, EMF notified the Commission that, on January 26, 2011, K222AW had temporarily discontinued service after receiving interference to the translator's receive signal. EMF was able to install a new receiver and resolve the issue. Accordingly, on February 8, 2011, EMF returned K222AW to the full power parameters authorized in its license. Please update your records accordingly.

Should you have any questions regarding this matter, please contact the undersigned.

Respectfully submitted,

Karen A. Ross
